**Sámi Experience**

Duration: 3- 4 hours.  
Capacity: 45  
Watch the reindeer up close and learn about the history of the Sámi people and how they live in today's society.

# PORT OF LAKSELV/ TURNAROUND

## The Gateway to the land of the Midnight Sun & Sápmi

The Arctic Porsanger fjord is the 4th longest fjord in Norway and consists of numerous small islands and exciting attractions. Often called "the world's northernmost archipelago." Here is the northernmost canyon and the world's northernmost pine forest. A large dolomite belt that creates amazing formations and rare plant life. Very good opportunities for bird watching in nature reserves. Three salmon rivers as well as over 4000 lakes. Thus, a true nature gem to discover in the land of the Midnight Sun! North Cape International Airport is only 10 minutes away from the harbour, with very few restrictions. An obvious starting point for exploring the region. Especially with the main Sámi Way of life and culture only a short drive away.

### ATTRACTIONS/ EXCURSIONS

**"The Sámi's 8 seasons"**

Duration: 3 hours.
